LIVING WITH WILDFIRE SERIES **USING FIRE TO FIGHT FIRE: PRESCRIBED FIRE AND SMOKE MANAGEMENT**

Tuesday, October 25 | 6:00-7:30 p.m.

City Hall Council Chambers | Zoom Webinar

What role does fire have in our local landscape? How do controlled burns protect our community from destruction by fire? What are the keys to wildfire prevention? Join us for a community event where you can learn the answers to these questions (among others!) and hear from area professionals in wildfire ecology, wildlife biology, air quality, and more.
